## David's Story

David's House is the dream of a little boy named David Cyr who passed away in 1984 after a long struggle with acute lymphocytic leukemia.

During David's frequent visits to the children's hospital, his father met many parents who were unable to afford any length of stay at nearby hotels. Because they were unwilling to leave their child's side, they ended up sleeping in chairs in their child's room or in their cars. Each time David was discharged, he begged his parents to take the other kids in the pediatric departments with them to their safe, comfortable home in nearby Vermont. His parents always told him that someday they would.

Within a week of David's passing, the Cyrs and their friends began raising money to make David's wish come true. The seed money from which David's House was grown was David's own \$300.78. On January 20, 1986, the promise to David became a reality as we opened the doors to our first guests. Since David's House opened, we have served over 14,500 families. We are a safe, peaceful, no-cost home environment filled with compassionate staff and volunteers.
